

Herkules 1S

Playground

Simply a round thing: textile covered wire strand in a matching look for beacons and for finishing Herkules 6S and 4S ropes.

Invulnerable

Steel wire armor and textile wrap or braid for maximum service life under all conditions.

Injury-proof

The textile sheathing safely protects against the escape of dangerous wire ends.

Perfectly tuned

Herkules 1S is available exactly matching its big sisters Herkules 6S and 4S.

Diameter

6 mm - 8 mm Ø

Technical data

Elongation at 10% of the breaking load: 0.20 %

Ø [mm]	Wire strand	Rope core	kg [100m] (min.)	Bl. linear [kN]**
6	6x19+1FC (3 mm Ø)	FE / FC	5,2	7,7
8	6x19+1FC (5 mm Ø)	FE / FC	10,2	16,5

Gleistein

More than Ropes.
