

RunnerTwin99

Watersports Performance

A runaway winner! Highest flexibility with outstanding strength and durability under the toughest racing conditions.

Flexibility

Excellent handling characteristics due to highly flexible construction featuring a core made with Dyneema® SK 99 fibres.

Two-in-one

Strippable to deliver weight-optimised, high-performance sheets and halyards for grip and protection tailored to individual needs.

Durability

Technora® in the cover for maximum resistance to heat when rushing through the winch.

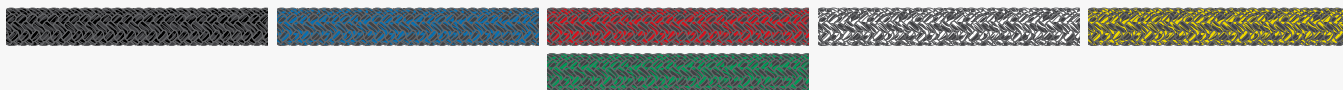

Diameter

8 mm - 12 mm Ø
